

Universal Tabletop Stands

The PSD-TTS Universal Tabletop Stands are designed to fit 32"-50" displays. The universal mounting arms and multiple base choices add style to any display. Features include Premier Mounts' unique Griplate System, which uses a distinctive slotted design and hole-plate that easily attaches to nearly all flat LCD and plasma displays.

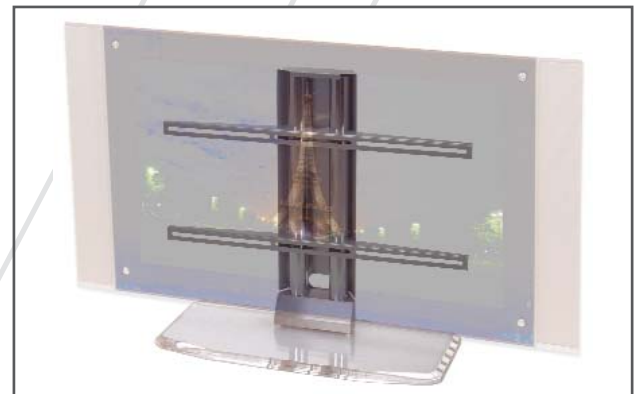

These mounts accurately support all sizes of displays with a secure fit. Plus, they're backed by our industry-leading Lifetime Guarantee.

Features

- Fits 32"-50" LCD/plasma displays
- Griplate System™ safely supports displays during and after installation
- Height adjustable for precise placement
- Cables are concealed within tubes
- Base may be bolted for added security
- Lifetime Guarantee
